PLEASE DON'T ASK. Leave an open check/credit card at the office and you may add classes. Back numbers will not be handed out without a form of payment.

GATE CALLS: gate calls are a courtesy. While we will do everything we can to make you aware what class is entering the arena, you are responsible to be at the gate when your class is entering the arena. Once the gate is closed no horses can be added to the class.

***NO BABY CARRIAGES, CHILDREN, SPECTATORS OR DOGS IN THE WARM UP ARENA/HOLDING PEN.** Dogs must be on a leash. Dogs are not permitted in the stands. Spectators, children not showing and baby carriages need to go to the stands.

*There is no access to the stands thru the holding pen on the northwest side of the arena. You will need to walk around.

***JUDGES AND MANAGER'S DECISIONS ARE FINAL**

*Unruly or dangerous horses will be asked to leave.

*Classes with less than 3 horses may be combined at the show managers' discretion

*Every horse/exhibitor entering the class must be wearing an assigned show number. The number will follow the horse regardless of multiple riders.

*If you enter a class and stay in the arena for the next class you must pay for the 2nd class

*If your back number is on both the announcer's sheet and the gate persons sheet, you will be charged for the class

*Horses hauled in and shown from their trailer are responsible for cleaning up after themselves. Bring a shovel or pitch fork to clean up your mess if you show out of your trailer. **LEAVE NO MESS BEHIND**

*Classes added or scratched must be done **BOTH** online & at the gate.

*A prize or ribbon is available to all 1st place placings. Ribbons are available to 2nd thru 6th

*10 & under riders HELMET REQUIRED.

*All youth riders must wear a hat or helmet on their head.

*Schooling equipment is NOT allowed

*Proper attire is required

***Green Horse** = 1st year of showing. WAHSET & 4H not to count. You may be "Green" eligible under saddle if the horse has only been shown halter and/or showmanship. You may be green in Western if your horse has only been shown English. FYI Other exhibitors will make us aware if you are not eligible for this division

***1st Time Showing** = 1st time a rider is showing in this class. Schooling shows, WAHSET & 4H not to count.

*Classes are placed thru 6 (providing there are 6 horses in a class) Judge may place thru 8th at their discretion.

*Cross entry between Walk/Trot & Canter/Lope classes is allowed.

*All classes in your division will count towards a high point. If you cross enter walk/trot with canter classes you must declare the high point you are competing for at the start of the show. One horse/rider combo will not be allowed to win both the walk/trot and the “cantering” high point within one division.

***YOU MUST DECLARE IF YOU ARE RIDING FOR ANY HIGH POINT AT EACH SHOW.** *Declaring for walk/trot high points will eliminate you from being eligible for the loping/cantering high point. You can declare for as many high point categories as you are eligible for.*

You must enter a minimum of 6 classes within your high point division to be eligible for the high point award.

*Must be present to win your high point or make arrangements with someone to pick it up at the show. High points will not be carried over or shipped and your High Point will be forfeited.

Points schedule will be floating 6-5-4-3-2-1 for 1st thru 6th. The most points a horse can earn in 1 class is 6. If there are only 4 horses in the class the most points the 1st place horse can earn is 4. One “participation point” will be awarded for classes with more than 6 horses

Code of Conduct

We expect each exhibitor, trainer & any supporting people of all participants to practice good sportsmanship

Sportsmanship is not an act, it is an action. As a duty to yourself, the industry, and others around you, practicing good sportsmanship (even when it's difficult) creates a positive environment where people want to return.

Appreciating your competition and winning and/or losing graciously are just the beginning of carrying out your role as good sportsmen and women.

Be considerate. We are all here for the same reason. Be nice to your fellow exhibitor. If you witness inappropriate behavior, please contact management

Be respectful. We won't all agree all the time, but disagreement is no excuse for disrespectful behavior.

Choose your words carefully. Be kind to others. Do not insult or put down others. Harassment and belittling of another person will not be tolerated.

Don't harass. In general, if someone asks you to stop something, then stop. If you believe that person is incorrect in asking you to stop, please contact management

ALWAYS treat your show management, to include but not limited to show manager, secretaries, ring steward, in gate person & judge, with respect. Yelling, caustic remarks and/or sarcasm will not be tolerated.

KNOW THE RULES! You are responsible to enter the classes you are eligible for.
